Provided, however, that any increase in contract price or contract time must be requested by the CONSULTANT and must be approved through a written supplemental agreement prior to performing such services. CONSULTANT shall correct or revise any errors or deficiencies in its designs, drawings or specifications without additional compensation when due to CONSULTANT's negligence, error or omission.
- 4.1.9. **Additional Services:** The CONSULTANT shall provide, with the CLIENT's concurrence, Services in addition to those listed in Exhibit 1 when such Services are requested in writing by the CLIENT.
