

Airport (01-16)

Located at the south edge of Phillipsburg, the Phillipsburg Municipal Airport has a 4,500 feet concrete runway and also a sod runway. Aviation gas (100LL) is sold at the facility. The City leases property to those wishing to construct hangars at the airport. The large quonset type hangar is own by the City. The south half of the City's hangar is rented to plane owners while the north half is rented to Kansas Crop Care at this time.
